VIVA LA MIKA-RIDER-DJ SET

TECHNICAL RIDER

- Professional sound and light systems.
- Sufficient space for two persons in the DJ booth
- 1x Mixer: Pioneer DJM 700 and up. Another mixer may be used, when negotiated beforehand.
- 2x Pioneer CDJ2000 and up. (Fully up to date with the latest firmware)
- Sufficient room for a laptop; 1 power socket
- 2 monitors placed on either side of the artist

HOSPITALITY RIDER

- Drinks: 5 tokens for drinks. Please give these to the manager upon entrance.
- In the booth, please set up: 1l non-sparkling water; 1x towel.
- Please announce artist at the start and finish of the set. MC-ing during set only after consulting with the artist.
- Minimum of three people on the guest list, of which one has backstage access
- Management should always be on the guest list, including full backstage access
- Presence of a contact person/stage manager. This person awaits the artist's arrival at the venue, and supervises the artist before, during, and after the show.
- Safe storage of music case and personal belongings of the artist. The safety of the artist and his personal belongings is guaranteed by the promoter.
- If the venue has a separate artist entrance and/or parking facility, please contact the management well before the event through natasja@keepitrealmusic.com. Parking cards may be sent to: Natasja van Buren, Schoolstraat 19 6882NP, Velp, The Netherlands.

The artist reserves the right to suspend the performance and retain the right to payment in case of non-compliance with this rider on the part of the promoter. Please contact Keep It Real Music Management in case any further information is required.
